Have fun with the cover! If you enjoy art, add your personal touch by writing or typing the book cover information on colorful paper, scrapbook paper or whatever appeals to you. Add stickers, clip art, your own photos—anything that showcases your creativity. You may include a photo that shows something about your project. Example: a photo of you on your horse or practicing at an archery meeting or sewing. Adding decorative touches to your cover is OPTIONAL.

Record books are judged on content – not beauty!
