POULTRY HOUSE RECORD

If you keep hens and pullets separate, split columns 2-5 to make separate columns for your pullets and hens. Keep daily records in the hen house or kitchen. A large calendar works well. Total each month’s record and place in the following table.

<table>
<thead>
<tr>
<th>Month</th>
<th>No. of Birds at Beginning of Month</th>
<th>No. of Birds Culled During Month</th>
<th>No. of Birds Died During Month</th>
<th>No. of Birds at End of Month</th>
<th>Total Eggs Laid During Month</th>

MEAT BIRD PRODUCTION RECORD

You can enter in the various columns the kind of birds that you are raising. Add columns if needed.

**INCUBATING, BROODING, AND REARING RECORD**

List each lot of birds or eggs separately. For example, record the date you get your chicks and the date you sold the extra roosters and placed the rest on range or considered them as young replacement stock. If you hatch your own, also put in the date you set the eggs and the date they hatch.
